# Editor's Letter

*"Music is therapy. Music moves people. It connects people in ways that no other medium can. It pulls heart strings. It acts as medicine."* ~Macklemore

As the editors gathered to discuss the theme for this year's Panorama, we knew that we wanted one that would capture the essence of 2014. Essentially, a theme that would encompass how we as a class are crazy, different, fun-loving, deep, emotional and talented. What better way to capture this theme than through music? Just as *Rolling Stone Magazine* chronicles the lives and achievements of celebrities, *Rolling On* serves as a memorandum of our best times and greatest moments here at Weston High School.

We would like to give a special thanks to the faculty and student body for making this year's Panorama worth reading and putting together.

Please enjoy the Greatest Hits of WHS 2013-2014!

## SEASON (4-12-1)

"Corazzini has been a successful and great coach for the three years he's been here. I would really like to thank him for giving me and the other players opportunities to step up and prove themselves. Hockey has always been that competitive sport where one has to earn their spot on the team. Now that it's over, it's hard to let go of the sport you love so much. I'd just like to thank my teammates, coaches, and parents for making this year a fun and memorable season."
-Armen

"The season obviously did not go as well as we all thought it would. There were many great memories made and I would not change this year's team for a thing. I had a lot of fun and am going to miss it. I cannot wait for next season and wish the seniors the best of luck with everything."

## SEASON (10-7-3)

"Coach Clearys' passion for the team is indescribable. He cares so much about every one of us and would do anything for us on and off the ice. His knowledge of hockey and his dedication to the team has helped us have such a successful season and grown as a unit instead of us individuals. Being a member of the Warcats and seeing girls from Wayland and Weston come together has been truly amazing. The girls all care so much about each other and have worked so hard to improve over the years. My freshman year we lost every single game, and we managed to keep our heads up, and come back ten times stronger the following years. The girls never gave up and have worked so hard to get to where we are. I am so proud of my teammates for all that we have accomplished. To our assistant coach Meghan, she is such a role model to all the girls on the team. She provides such fun energy on the bench and her knowledge of the game has helped our team improve drastically."

I watched you flourish
like a wildflower in an open field.
Soaking up the sun and
brightening the horizon.
Your colors came through
like a reigning rainbow
and your spirit sparkled
in the nighttime sky.

You have flourished
in the wake of obstacles,
known to few.
You conquered them,
on your own,
in your own way.
Turning negatives into positives,
and seeking the goodness in the world.

You are guided by the spirit of
Sustainability,
nurturing the environment
with your heart and hands.
You see the beauty of Blue
and you cherish it.
Marveling at the intricacies
of jellyfish,
weaving eelgrass,
an advocate of sea life,
and its preservation.

Along the way,
you have tested the waters
and discovered yourself .
Finding a Niche,
that will nurture,
protect, and sustain you.

Look out into the distance,
beyond the metal wings,
of a bird flying high.
I will be there,
another pair of eyes and ears,
watching over you,
A Wingman in disguise.

Congratulations, good luck, and may
all your dreams come true!
Spread those wings and FLY!
Love always,
Mom

As a baby, you impressed us with your energy and appetite.
You astounded us with your ability to stand in you crib and howl.
You dazzled us when, at nine months, you decided to walk before we were ready.
And for two and a half years you did not let us sleep through the night.

Since then, every day for 18 years, you have continued to impress, astound and dazzle us.
And there has never been a question of whether you will amaze us, but only of how.
So go now and amaze us more; know that we love you and will always be proud of you.

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, Who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you not to be? We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others." Always let your light shine Jake! Congrats, we are so proud of you!

PANORAMA 2014 VOLUME 30, was printed by Lifetouch Printing & Publishing in Loves Park IL, and produced by Weston students on the yearbook staff. The book was a 264 page, spring publication with a trim size of 8.5 by 11 inches and a press run of 500 copies. Books were sold online through Lifetouch YBP through the high school at $85 a book. Very generous parents and sponsors who purchased ad space in the book also financially supported the book. Our theme was "Rolling On," based loosely on Rolling Stone Magazine. The Panorama office is located at Weston High School in E-wing just beyond Room 200. The phone number is 781-529-3020, extension 7036. The yearbook website is westonyearbooklounge.com. All students clubs and organizations were encouraged to submit photos and offered similar space.
DESIGN. The cover was designed by Peter Greer using ideas from the yearbook editors. Pages were produced using Lifetouch Volumes online page production tool as well as InDesign CC and Photoshop CC. The cover is litho printed, applied matte lamination with fox fur graining. 100# gloss text paper was used th Parent ads were managed and created by Peter Greer.
PHOTOGRAPY. Panorama staffers took many of the pictures. Peter Greer, and Lifetouch National School Studios also took many faculty, candid sports, most senior portraits and all underclass portraits. Parents of seniors provided the photos for the Recognition Ads section. Other pictures were provided by facult and generous professional photographers.
